# DEPENDABLES

AN ISO 9001:2015 CERTIFIED COMPANY

*“Committed to quality, service & value!”*

Manufacturers & Suppliers of:  
INDUSTRIAL PRECISION FASTENERS

High Tensile Fasteners | Special Fasteners as per Drawings | All kinds of Industrial Nuts, Bolts & Washers

**DEPENDABLES**

AN ISO 9001:2015 CERTIFIED COMPANY

Office Block & Ware House

## Introduction

**DEPENDABLES FASTENERS** are engineered to precision, accuracy and perfection. Their performance is testimony of their durability and adherence to the international standards. By virtue of our established manufacturing organization, technical skills and through professionalism in all fields. Our patrons have recognized us out rightly.

Dependable Fasteners is established by Mr. S.K. Sareen with the 38 year's experience, to serve the fasteners industries with its quality products especially, All kinds of Industrial Fasteners & High Tensile Fasteners.

The Company is serving the highly reputed exporters and supplier's .The company is not only having its products in the local market but also exporting to various developing and advanced countries. The Company is benefited much because of the highly professional and customer oriented approach of Mr. S.K. Sareen. The Company is achieving new heights under the dynamic leadership of all team of Dependable Fasteners, This is only because their understanding and in-depth experience in the Fasteners industry and others that today Dependable Fasteners stands for Quality Perfection Precision and durability, It's brand name **IPF** have become synonymous to perfection not only in the local Indian market but as well as in the abroad.

## Director's Desk

Mr. S.K. Sareen

The Managing Director Mr. S.K. Sareen himself is having more than 45 Year's practical experience in this field and resulted the international export quality comes out as a final product from our company to satisfy the customers years and years.

I feel Proud to say that "DEPENDABLES" has always given more than the expected results and to support the increasing customers demand. Latest technology is being regularly upgraded through R & D department.

## Our Mission

Dependables (Fasteners Unit) is committed to providing its customers products with a very competitive relation between price/quality, guaranteeing high levels of customer service, by means of a group of trained and motivated employees who assure the satisfaction of our clients. To make you count on us.

## Journey To Excellence

Excellence is earned through hard work and dedication to manufacture world class quality product. At **DEPENDABLES**, we live by these words everyday.

Since 1976, we have been committed to manufacture the best Industrial Precision Fasteners. This ongoing commitment doesn't stop with the manufacturing process itself. We strongly believe that the real attributes of a great company are to treat every customer with utmost respect and satisfy their every need the first time and every time. Our Customers appreciate this dedication to Total Customer Satisfaction and have rewarded us with Strong term Relationships.

To build strong relationships, one has to firstly gain respect in the eyes of its customers. Most of the respect we have attained comes from our long term commitment to quality.

This dedication has allowed us to deliver the height quality products on a timely basis and at a fair price. This journey doesn't end here, we will continue to search for a new ways to improve, to deliver higher quality products to our reputed valued customers and most importantly, maintain the highest ethics in our pursuit of Excellence.

## Design & Development

In-house facilities for design using latest designing softwares result in fast development & delivery quality Industrial Precision Fasteners.

Our tool room designs and develops Dies, Fixtures and Special Purpose Machine Tools in-house which helps to reduce product cost and maintain better quality product.

## Manufacturing Facilities

As a manufacturing company, over the years we have many capacities, built up technologies and invested in equipments which helps to become a "One Stop Shop for Industrial Precision Fasteners".

- » Cold Forging Facility
- » Hot Forging Facility
- » Bar Drawing Facility
- » Heat Treatment Facility
  - Carburising
  - Hardening
  - Tempering
  - Annealing
- » Induction Hardening
- » Machining Facility
  - CNC / VMC Turning Centers
  - SPM's / Turning Block
- » Surface Treatment
  - Phosphating
  - Auto Black
  - Zinc Electro - Plating
  - Powder Coating
- » Tool Room
- » Testing Facility
  - Chemical
  - Physical
  - Structural Analysis
- » Metallurgical Laboratory

# Manufacturing Facilities

We have in house facility for plating like :  
Hot dip Galvanize , Cadmium, Electro - Galvanize -Golden/Zinc/Green plated,  
Mechanical Galvanize , Copper plating, Black ETC

## Product Range

## Nuts

### Nuts

#### Diameters:

2MM to 100MM or 3/16" to 4"

#### Stock Range:

- Cage Square Nuts
- Castle Hex Nuts
  - Thick Castle Nuts
  - Thin Castle Nuts
- Collar Nuts
- Crimp Nuts
  - Flange Crimp Nuts Two Side ( Hot Forge )
  - Flange Crimp Nuts Three Side
  - Turned Crimp
- Cup / Close Nuts
- Dome Nuts
- Eye Nuts
- Flange Hex Nuts
- Full Hex Nuts
  - Turned
  - Cold Forge
- Lock Hex Nuts
- Locking Counter Nuts ( Press )
- Long Nuts
- Pinion Hex Nuts
- Press Mix Nuts
- Prevailing Torque Nuts
- Rectangular Nuts
- Round Nuts
- Self Locking Hex Nuts
  - Flange ( Nylon Insert )
  - Flange ( Metal Insert )
- Sheering Nuts / Anti Theft Nuts
- Slotted Nuts ( Hex / Round )
- Spring Nuts
- Square Nuts
- T Nuts
- Weld Nuts
- Wheel Hex Nuts
- Wing Nuts / Wedge Nut
  - Press / Casting / Forging
- Flange Dome Nuts
  - Single / Two Pieces
- Nylon Nuts
- Hex Nuts ( Washer Face )
- Special Nuts

#### Grades:

Nuts are made of Grade 4, 5, 6, 8, 2H

other Grades also available as per customer requirement

#### Finish / Colours:

Hot Dip Galvanized ( HDG)

Zinc Plated

Yellow Plated

Self / Black / Natural

Mechanical Galvanized
